

North Carolina Vending Association

April 6, 2004

Dear NCVA Associate Members:

During NCVA's January Board and Committee Day, the public relations committee decided to redesign and revamp the association's website. In order to entice NCVA members and individuals interested in a career within the vending industry, NCVA would like to not only change the overall appearance, but make it more user friendly.

The website will house information for both members and visitors. The member side, which is password protected, will allow members to access pertinent legislative information, relative association information, on-line membership directory, job bank form and educational information. The visitor side will provide individuals with information regarding "Bluesky Vending," facts about the association, a listing of available jobs, how one would go about getting involved in the industry and a listing of member companies.

NCVA would like to offer associate members the opportunity to place their company's logo on the homepage (limited to six logos, first-come; first-served) of the website. Additional logos will be placed throughout the visitor section of the site. The logo will link directly to the company's website.

The fee to place your company's logo on the website is \$100. Since the website has not been completed, and it could take a few more weeks, the annual fee of \$100 will go through December 31, 2005.

If you provide NCVA permission, our webmaster will visit your website to acquire your company's logo. Or you may email your logo in a jpeg format (75px by 200px, 72 resolution) to info@ncvend.com. If you would like to provide an animated or flash logo then the fee is \$150. NCVA's webmaster can develop flash logo for your company, if you provide the graphics, for an additional fee of \$200.

If you are interested in this advertisement opportunity, please complete the form below and return it to the NCVA office, P.O. Box 3159, Durham, NC 27715; fax it to 919.383.0035 or email info@ncvend.com.
