

North Carolina Vending Association

Academic Scholarship Application - 2022

North Carolina Vending Association

The North Carolina Vending Association, the organization representing the vending and food service industry in the state, was formed in 1955 and is the oldest independent vending association in the nation. In an effort to contribute to the communities that have made the industry what it is, NCVA formed a scholarship. A \$1,500 scholarship, based on academics, character and financial need is awarded to a deserving student (student must be affiliated with/related to a person from the vending industry and a CURRENT Member of NCVA) from North Carolina each year. It is with great pleasure that we offer this opportunity to you. We wish for each of you a rewarding educational experience and a successful career.
